When thing go wrong as they sometimes will,
when the road you're trudging seems
when all up hill,
when the funds are low and
debts are high,
and you want to smile
but you have to sigh
when care is pressing
you down a lot
Rest if you must - but don't
you quit.

Patty, one of the nicest girls like ever known. Lots of luck always

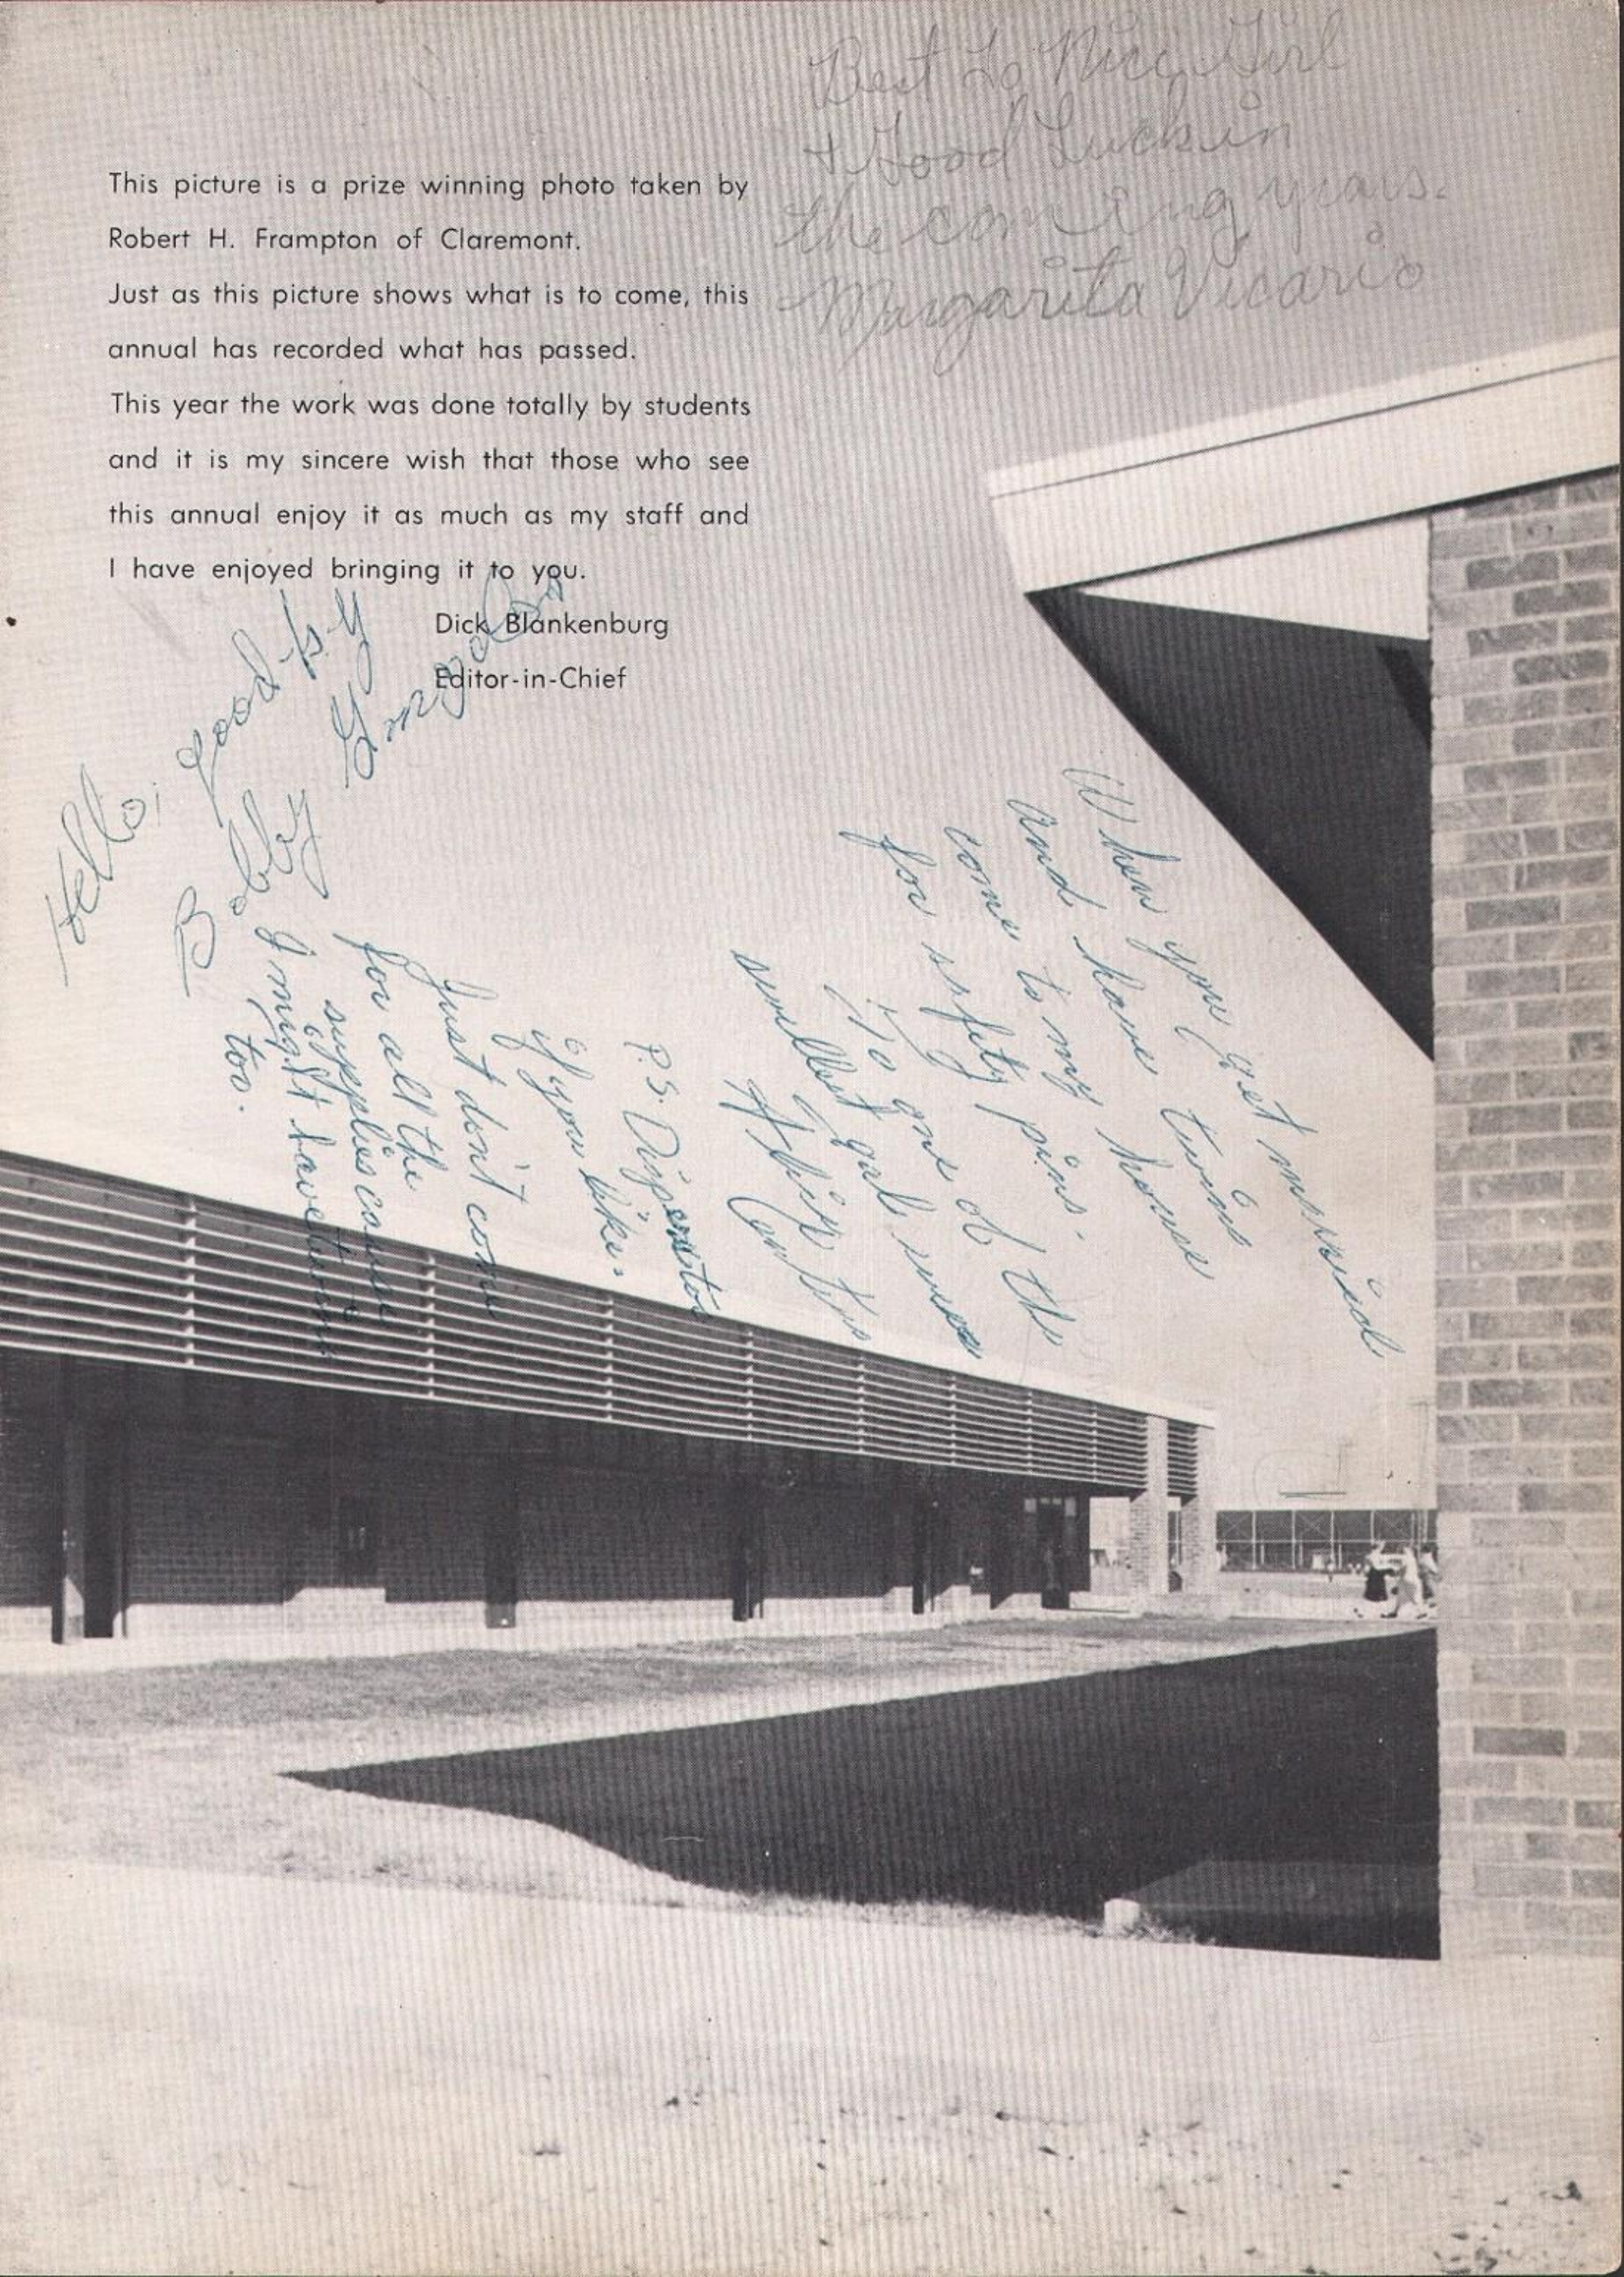
This picture is a prize winning photo taken by Robert H. Frampton of Claremont.

Just as this picture shows what is to come, this annual has recorded what has passed.

This year the work was done totally by students and it is my sincere wish that those who see this annual enjoy it as much as my staff and I have enjoyed bringing it to you.

Dick Blankenburg
Editor-in-Chief



Foreword

Plato having defined man to be a two-legged animal without feathers, Diogenes plucked a cock and brought it into the Academy, and said, "This is Plato's man." On which account this addition was made to the definition—"With broad flat nails."

Dedication

This year's El Chasqui is dedicated to Mrs. Eldora Belmour, one of the favorite members of the Chino High School faculty, and from 1942 to 1953 the El Chasqui advisor, working with the school printing department in its production.

Mrs. Belmour served our school first as librarian and journalism teacher. In 1948 she was named Dean of Girls.

Much of the Chino School District's development may be attributed to several men who are seldom seen by the students.

Under the direction of Mrs. Lorraine Ritchartz, the Chino High School Choruses are the sources of much entertainment in school activities as well as community benefits throughout the year.

The choruses kept a very busy schedule this year, singing in many assemblies as well as special programs. The operetta, "Count and the Coed," was the highlight of the year's events for this branch of the music department, and was a big success.

The choruses also took part in the annual Music Festival at Bridges, the Christmas program, Music Dept. Concert and they supplied the music for the commencement exercise at the close of the year.

The Junior High Student Council works to improve the seventh and eighth grades. One of its most important and most successful projects has been the safety patrol. Its goal has been to create greater safety in the halls and to keep the buildings and grounds clean.

Saddlehorn

The junior high school newspaper, the Saddle Horn, is welcomed each time with great interest by the students of the seventh and eighth grades. It is published about once a month and helps the student keep up on the latest news.

Dear Patty

Here are a few lines to say hi & wish you very many good times in school & out of school with Marion & with me. Remember when you went to the gas station and Frank was there he told my sister gloria that you were my girl and gloria said I pity her. (I wonder why?) I am sorry about that Saturday when your mother blamed you for the lipstick I had on my face but I had to give you the flower. Will I don't know what to talk about or more do you? Remember this:

When you get married and your husbun gets cross just get the broom and say now I am the boss. So I heard you didn't went to go to the beach with me so you went to the river with Annie.

Lots of Love

P.S. I wish you would go out with me but you just say no drill no and I'll no enough but you no more no.
